### Mother's Day

by Mr. Forester

We all love our mothers who make sacrifices every day for their kids. Mothers raise up the next generation. If the mothers teach their kids about God then the generation might be a godly-generation. We owe our mothers a lot. We are grateful for all the moms of Farjay and of Earth. [The reason why I put Earth down is because Animalzania is on the Planet Animal far away from Earth]. God bless you all.

Inventions done by Farjay's young people:

Fred Fir has made a space-proof helmet! It has lasers and can destroy and remake things. [interesting]. When we were doing speeches in the Plaza, Fred shot all the Animliberals and they went down holes; he shot again and they went back up. Fred is really weird.

So weird the town is worried that he might burn the town down.-N.R.

## Battle News

### The Bombings Continue

On May 1<sup>st</sup>, President Forester ordered the Pearl of Animalzania Air force [ P.O.A.A.] to bomb Fort Koriavo and the air force base Lost Vera.

The bombers were successful with minor damage at Fort Koriavo, but they lost 100 air planes out of the 400 planes they had. The planes returned to Pearl Air Force Base in Franklin, Pearl County.

-N.R.

### Strange Happenings

On May 3<sup>rd</sup> strange news came to General Franklin De Burg of the French forces and General James A. Gardener of the Animalzanian forces.

Bombs had been set around Fort Hakia [an important Russian Fort]. The Russians wanted to know why they were being attacked. They replied that they had not ordered that bombs should be exploded in any Russian forts. The amount of 22 forts were destroyed in a matter of two weeks. Each fort was an important Russian fort. The bombs created an huge explosion. We are all wondering who is doing this.

### D.A.F. Go to find missing John Fir and Iceburg Rose and others.

The D.A.F. [Detective Animalzanians of Farjay] Left on the twenty-third of May to search for clues about the missing Iceburg Rose and John Fir. They started at the point where John and Iceburg and the soldiers were marching. They found a trail that went into a ditch in the side of the road. Fritz said it smelled like Iceburg. The trail went into the woods and went across a stream. It was lost.

They then went to John's camp. They found a trail that led to a cave. In the cave it was apparent that John and Iceburg met and made a plan. They seemed to have left before May first. They lost all the trail. On the 18<sup>th</sup>, bombs exploded in Moscow. The leaders finally surrendered. The question was how did the bombs get there. The generals did not assign the bombs.

On the 19<sup>th</sup>, Iceburg and John returned to the cave. They admitted that they had set the bombs so that the Russians would surrender.

### **WAR IS OVER**

The war is now finally over. The troops are returning home. They will be coming on the 30<sup>th</sup>.

### **Space Reports from our Astronauts.**

As some of you all know the first landing on Earth turned out disastrous! The A.S.S.E. Warla V got damaged by a tree that was felled by a human. Then it was rebuilt. It then landed in the Riojas' yard. Later, they returned to Animal. That was in October on the twenty-fourth of 2011.

Some of you might not know about the second landing on Earth. The A.S.S.E. Voyager VII left on January 2, 2012 to set up a little transmission device in the Riojas House. The Riojas kids send transmissions to Animalzania, and we send them transmissions back. One of them is writing a book about us too!

Recently, the A.S.S.E. Rose and Fir left in January on the eighth too. Its mission was to scan Earth. They successfully scanned Earth on the 18<sup>th</sup> and returned on the 21<sup>st</sup>. The Riojas kids said that the Animalzanian space ship *was* seen by satellites and the International Space Station. They said that Earth wanted to meet the aliens. [interesting, though all of this I am sad to say is *not* real]

We are planning to send a group of representatives from all the countries of Animal who want to ask for an “Outer-space Treaty” with Earth. We are planning to go in June. The King with all the county Presidents and their accompaniment of Animals to Earth. So Mr. Forester will go into space.

### **Mysterious Russian Airplane gets shot down and reappears.**

A week after the Russians surrendered, a Russian fighter plane, which was doing exercises out over the ocean, was shot down by a missile which was never ever ordered to be shot. The Russians got really mad! In the end we found that Fred Fir had fired the missile off his space-proof hat. He did undo and the air plane was flying again. Fred Fir is weird.

Oh How Wonderful is The Winter

The wind is in the firs.  
Snow falls down outside.

The lake is frozen over now.  
The skaters skate side by side.

Cardinals rest upon a snowy branch,  
And sing a winter's song,  
While children make snowmen,  
And the birds join the throng.

Shots in the forest are heard!  
The deer and doe run far away,  
Through a snowy wonderland,  
To return one day.

Crickets chirp in the thicket,  
From the windows comes a glow,  
The stars look down upon the land,  
And the wind blows in more snow.

Oh, winter with thy chill,  
How beautiful you are!  
Oh, how much I remember of you!  
So much, so far.

# Speeches

*Mr. Peter Fir*  
a conanimlative

*Mr. Munkey*  
a animalibral

*Mr. Larry J. June*  
an conanimaltive

*Thomas Key*  
a animalibral

If the meanings aren't clear you will have to ask the people who wrote these speeches about the weird parts. Some of the things  
are taken from real life.

*Mr. Peter Fir*  
written by Josiah Riojas

Welcome! You all have heard me do speeches before, last year and the year before that.

I have several things which I am against:

1.Communism- because it is a threat . Communism can destroy young and old nations.

2.Fighting wars with Animaliberal leaders.

I am glad to be here this morning, and I am glad for you all here listening. I hope that you will love and accept all these candidates. And I hope to be in the Primaries. I hope we will have a good election. And I am thankful for all these candidates, and I especially thank, Mr. Eyeball [the announcer] for allowing me to go first. I like what Mr. June has to say. And I thank God for letting me come here safely.

*Mr. Munkey*  
written by Courtney

I think the world would be much better if there were more Animaliberals in this world. Life would be *much* nicer than it is now.

I will have, *if I do win*, plans for space colonization, jobs, and more money in my,- Oh! No- other Animal's pockets.

All private business owners, less taxes if you vote for me, but I mean to have a *special gift for you all*.

I *would* love your votes.

*Mr. Larry J. June*  
written by Courtney

Our country, the greatest nation on Animal [the planet they live on], is slowly going down hill. Though not noticed in the newspapers, we are *not* as spiritual as we used to be. We *need* moral reformation and spiritual reformation. That is the only way our country can prosper. We need to remember God, and when we remember God, we will prosper.

I am *very* much against welfare. The government does *not* need to make the people dependent on the government! People ought to depend upon themselves. The government must not give free money to Animals. The Animals should work hard and not be lazy. Animals should *not* depend upon the government!

I hope God gives you wisdom and discernment upon whom you will choose. I would be *honored* to receive your votes.

*Mr. Thomas Key*  
written by Courtney

What we need is more animaliberals- oh, *Animals* with money in their pockets. By doing that we, if *I* get elected, will put free money in poor Animal's hands. We will have programs where Animals get free health care, and free money, and food. More money will be in the poor, poverty-stricken Animals hands.

I would be *delighted* to receive your votes.

**NOTE:**

**We are going to have Questions and Answers in JULY. We would love it if anyone [member or not a member] who has any questions they want to ask the Animals who are running to please send the questions to the newspaper SOON.**  
**THANK YOU!**

We would love people to send articles to the newspaper, short stories with morals, poems, quotes, and things to us. We would appreciate anyone who sent anything, member or not a member, you can send us them. We would love to receive them. Thank you!
