Fire in England

A great fire has been raging through Markanz, Eld. It has spread over 20 acres of land. Water is quenching the southern area. A wind is making the fire wreck havoc over the English country side. It started,- still unknown. Should be down, if the wind stops, in a week.

Drowning [Russia , Ria]

Earlier November 20th, 2011, a group of Animals[children] went to the lake to play as usual. As the group went past the safe depth point[which is against the town rules] most of them were drowned. 16 Animals drowned including: Ariana Gamx, Jethro Gomex, Amilia Zarker, Liaenki Rojavet, and Jokthaph Zarker. Five escaped by following the town rules. Two escaped by swimming.

Potatoe Disease

In Irisland , a terrible disease called *Potarolamia Koto* disease is in their potatoes. It is caused by grubs which feed on the potatoes. The contaminated Animals got sick with *Tapotalato*. The Animals throw-up and "feel" cold. The only known cure is to burn up all the potatoes. Bonn fires have been lite all over the country side. They will plant new potatoes later. First they have to burn the fields and then pour vinegar into the soil and burn it again. Hopefully the *Potatolamia Koto* disease stops. Do not buy any Irisland potatoes or brands such as Irish Potatoes, Red Buds, or Purple Blue Skins. Thank you.

There is oxygen ,but not much. They plan to see if they can get more oxygen into the atmosphere. It has Water on it. The water is safe, but through scans there seem to be alien life forms which swim around in the dark, murky water. The aliens seem to be mammals with long mouths with suction cups. The scientists will try to see these animals. The space ship will leave in January.

Mr. Roses' Speech on Veterans' Day 11/11/11

We all need to remember the brave men who fought for our freedoms which our very dear to us. We need to remember that God gave us these freedoms. Veterans and former veterans we say thank you for your self denying service to your nation and fellow people. We are proud and thankful to God for you. We will say that these men who fought, died and shed their blood for us will always be remembered. May be by the example that we set the rest of the nation will set aside November the 11th as a day for honoring our heroes. We are proud to have you.

Mr. Fir's Speech on November the 2nd

I, Peter Fir, run for Christianity, and not let Communism take over, and if I win the election I will give God the glory for He deserves it. If I lose I will still give Him the credit. Since I have fought in wars I have seen how Communism takes over things. Communism takes over while things are weak; though sometimes even when things are strong. Um.... I am done.

Mr. Forester's Speech on November 5th

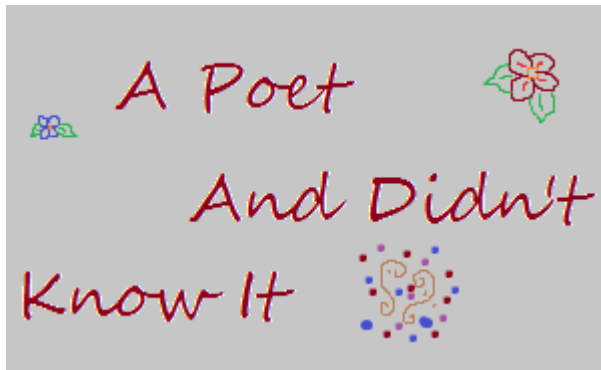

I am now not taking this job God has now given me lightly, but I am taking this job heavily. I know that on January 1st of 2012 I will take Mr. President Roses' place. I am proud of him. I hope you also will be proud of me as I will take on the duty of Mr. Rose in 2012. I will pray for God's guidance. I ask for your prayers as well, for me to be wise, safe, and do right. I ask for them with my whole heart. I can't wait to serve so dear a country as this is to me. Thank you for choosing me to be your next leader. To God be the glory!

Mr. Roses' Speech Christmas Speech on December 23 or Courtney's Speech

I am now starting a custom which hopefully the next President, Mr. Forester and his successors will do. I am going to talk about, oh, not politics, not those kinds of things but Christmas. We celebrate Christmas because Jesus, the perfect Son of God, came down to earth as a man and died on the cross for our sins. Instead of being a person of royal descent He became a baby to a couple who were poor. He was born in a stable because Caesar Augustus had everyone go to his home town to have a census and there was no room in the inns at Bethlehem. He was perfect. He never once told a lie or did not one single wrong thing. Even when He went through life He didn't do anything wrong. He was then put on a cross because the Pharisees were jealous of Him. He didn't deserve it. We deserved it. But it was all of God's plan. He died. He was put in a tomb. On the third day He rose. He was seen by nearly 500 people. He then went to heaven to be with God. He will return later and take His chosen ones with Him onto heaven to be with Him forever. Why did He do this? He did it because He loved us. "For God so loved the world, that He gave His only begotten Son, that whosoever believeth on Him should not perish, but have everlasting life." John 3:16. God sent His Son so that we could be saved. He loves us. He wants you to come to Him. Jesus is the only way. He wants you.

Give yourself to Him and you will never regret it.

The Road

The road has been paved,
Though we know not the way
It leads us through,
But we know the end.
For the Guide knows
What lies ahead.
For He has planned it all.
By Courtney Riojas

Oh, Shouldn't We Be Thankful

God is not a god of stone or wood.
He is not seen by men,
But in what He leaves behind,
We see His fingerprints so fine.
And if God is so wonderful,
Why does He let us, rebels come
And live with Him forever?
For God has sent His Son to die,
For all our terrible sins.
Oh, shouldn't we be thankful,
On such a day as this!

One Night

One night
In starlight bright,
Came the angelic cry,
Shepherds cry,
Wise men kneel to their King.
One night
Long ago in Bethlehem.

Tender babe,
In a manger,
Sinless Lamb of God,
The Star of Light.
So pure and undefiled lay,
One night,
Long ago in Bethlehem.

That Holy Thing by George McDonald

They all were looking for a king
To slay their foes and lift them high:
Thou camest, a little baby thing
That made a woman cry.

There once was a girl named Lisa.
Who loved to eat lots of pizza.
She boarded a flight
And slept long through the night,
And dined in the City of Pizza.

Story Corner

Story: The Rich Man and the Poor Man

Moral: Do not be greedy for more than what you already have.

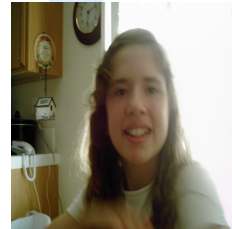

There once was along time ago was a man who was very rich. One day he lost his wallet which contained \$100,000 dollars. He was very sad. He wrote a notice in the newspaper. A week later a man came up to his door and asked to see him privately. He was a very poor man. The man said, "I was walking down the road last week and I found this wallet lying on the road. I didn't know whose it was, but I took it and kept it. Then I found your notice and seeing that there was a reward if found I counted the amount in the wallet, and it was the same. Here it is." The man handed the rich man the wallet. The man quickly ripped it out of the man's hands and counted the money careful. After slipping a ten dollar bill in his pocket he said, "Why should I give you the reward you thief? You kept away ten dollars. You shall go to prison till you pay it back!" The man cried, "Sir, I am honest I was tempted to keep the whole, but I wanted to do good. I never took it!" The rich man was deaf to his crys. Taking him by the arm he roughly took him to the king. "I lost a wallet with \$100,000 dollars in it. This man gave me my wallet, but stole a ten dollar bill." The king heard their story. After he heard the story he took the purse and said, "This wallet must not be yours because your wallet had ten more dollars. Since this wallet has only \$99,990 dollars it is evidently not yours. This man has found it, and he gets it." He handed the wallet to the poor man. The rich man was dumfounded. "King, I took ten dollars out of that wallet so that this man would have to pay me ten dollars and extra." The King stopped and said, "You did? Into prison you go for trying to make this honest man stumble only for more money."
